

If you think man is
controlling what you see
and hear and what you do,
think again and judge right.
Then why believe bullshit
and wear mask with KNOW
JUDGMENT, because you
only listen to your wants
and needs of man. Think
what I say and hear:

Why are you doing what the media says and your government parrots the media. Your doctrine obviously shows you loving idols more than GOD and your senses. What they say you do? When the media and the government have lied to you continually, why do you slip those incidences under the rug? Is it for

your wants and needs you forget. When your government will not repent of the LIES they tell by the media and idols to lead the people to follow. You accept the lies because of the media and your idols. You like to be entertained by the LIE; it is in your doctrine. Your doctrine is before you in KNOW-

TIME, plus you \$pay for all
lies you entertain in GODS
system of slaves in
INIQUITY. Prove us wrong
serpent-seed, the SIXTY-
MINUTE-MEN coming to
bust you up a-lot, we are
going to beat a-lot of bull
shit out of you. Do you fill
it serpent-seed.....the
DOCTRINE-KILLER will be
UP ON you soon and HE will

clean you real good or
throw your filthy ass in
HELL.
